Subject: Recommended Gear box oil & Rear Axle oil for extended drain interval.

In continuation to SC_2013_37 & SC_2013_38 on extended Service schedule for MHCV Cargo trucks & konstruk, we are pleased to introduce Castrol Long Drain Transmission oil SAE 80W90 & Castrol Long Drain Axle oil SAE 80W140 in addition to the earlier recommended brands of IOCL & BPCL. These Gear box & Rear Axle oils meet the approved lubricant specifications for oil drain interval of 120,000kms. & 2000 hrs for trucks manufactured after 1st March 2013.

Below are all the three approved brands of Gear box oil & Rear Axle oils along with their CRM part nos. and pricing.

Aggregate Lub	PART NUMBER IN CRM	Brand Name	Lubricant Grade	MRSR (Rs / lit)
